

TROUBLE AT THE TOURNAMENT

You are hosting a Grade 8 Basketball Tournament. There are two courts for you to use. Eight teams are invited to the tournament and are scheduled to play 3 games each. The top 4 teams advance to the playoffs.

On tournament day one team calls and tells you that their bus has broken down and they cannot make it. You have only 30 minutes to reorganize the tournament. How do you reorganize the schedule and determine the top 4 teams that will advance to the playoffs?
